

You only get one chance to get it right!

Introducing Mark Collard, your Wedding MC...

Trust your wedding reception to me, a professional Master of Ceremonies, and I will create a truly loving, memorable event.

And if you don't love what I do for your event, you don't pay – that's right, love what I do, or you don't pay a cent!

There is no other product or service in the wedding industry that offers a **NO-RISK guarantee**. Ask yourself why – because I deliver extraordinary value.

I'm a talented and engaging wedding MC, whose warmth, humour and energy will create a memorable, intimate and entertaining reception for you and your guests.

I know how to create a wedding reception that will be remembered for all the right reasons - guided by a voice your group will love listening to. It's all about YOU.

this is what I'll do...

To make your wedding reception an unforgettable event, I will:

- Be **your closest ally** to help you in every way with the running of your reception;
- Speak directly with each member of the logistics team (caterer, dj, venue, photographer, etc) well in advance of your wedding to gain a common understanding of your needs, ie so there are **no surprises on the day**;
- **Organise all of the logistics during the event** to let you truly enjoy yourselves, from the opening speech, the entrance of your bridal party, the speeches, cutting of the cake, the waltz - indeed - everything you have planned;
- Connect with your guests and help them **feel comfortable** and celebrate in style;
- Keep the reception moving **smoothly and on time**;
- Assist you and your bridal party with your **speeches** – I will even help you write the speeches if necessary; and
- Make you - the bride and groom, and your speakers - the **STARS of the show** – after all, **it's all about YOU!**

As your Wedding MC, you will enjoy a wedding reception that will be remembered for all the right reasons – or, you don't pay!

I'm an experienced, professional MC, and as such, I'm proud to have hosted a wide variety of engagements from weddings to international conferences and business meetings to trivia events.

I also work as a voice professional, so you can be assured that your audience will love the voice they listen to throughout your event.
